

2015 ANNUAL REPORT

Photo: J. Demetrie Photography

Welcome to Harmony Foundation's first annual report!

In my time as Chair of HFI's Board of Trustees, I have watched the Foundation grow and evolve into a world-class organization, which excels at bringing the gift of singing to the world. The dedication of the Foundation's staff and trustees is unparalleled, as is the generosity of our donors. We have much to be proud of but much work still to do.

This report provides some key facts and figures on the financial health of the Foundation, but we all know that's only half the story. Barbershop is not simply numbers on a page or trophies on a shelf. It's a way of life. It's a family, and music is what waters

our family tree. Singing is the lifeblood that flows through us all and binds us together. Hopefully this report tells a bit of that story as well.

Each of us has our own reasons for supporting Harmony Foundation International. My family has made Barbershop a lifestyle, and it has been good to us. The lifelong friendships, the work ethic instilled in our children, a sense of togetherness – all these elements were cultivated through Barbershop. I am sure all of you have similar stories to tell, and I believe others can benefit as we have.

Every day the Foundation is touching the lives of people everywhere and bringing new singers into the fold. Our donor list is impressive, and that is something we can all take pride in. There are not enough words to express the gratitude we feel for everyone who has helped the Foundation get to where we are today. We want our Barbershop family to grow, but we need your help to make that happen. Please consider joining our community of donors, so that we can spread four-part harmony to every corner of the globe.

We are on a journey to bring music to the world, and the journey is just beginning. Let's take the next step together. Every gift makes a difference.

Your friend in harmony,

Sharon W. Miller

I am honored to introduce the first formal annual report detailing Harmony Foundation International's charitable contributions.

Our intention for this information is, first and foremost, to thank you for your partnership by showing the impact we have all made during the 2015 calendar year. We want to instill in our donor base a high level of trust and confidence. Within these pages we have illustrated our conscientious efforts to support the programs and people who in turn subscribe to and benefit from our mission every day.

The Trustees are so proud of the members of our staff for their initiative, positive attitudes, sheer pride in their work and dedication to both the mission and our vision. We feel confident that the Foundation is poised to continue on the positive trajectory that we are currently enjoying.

Without further adieu, I invite you to explore this report. I hope that you are inspired and truly understand what an inspiration you are to so many people.

Thank you for joining us on this journey as we attempt to enrich lives through singing.

Sincerely,

J. David Mills
Vice Chair, HFI Board of Trustees

Thank you for your partnership!

Harmony Foundation International is honored to thank our charitable supporters who made contributions between January 1 and December 31, 2015. Your gifts enriched thousands of lives through singing.

Building endowment, securing the future

Thank you, 2015 match donors

Without the initial matching gifts provided by donors who believed in this effort, Harmony Foundation would be well behind its goal, rather than 50 percent ahead of it. Shown here, these donors inspired others to make legacy gifts and support endowment.

Harmony Foundation International launched its first planned giving effort in 2015 with the Legacy of Harmony initiative, aimed at raising \$5 million to lay the groundwork for the endowment.

The first phase of the effort was to find donors willing to serve as charitable ambassadors, in a sense, by making gifts that would provide matching funds for irrevocable estate gifts. The target date for completion of the first phase was December 2016, but thanks to the generosity of three key contributors, the foundation reached its goal in just seven months – 11 months early – with total pledges of \$500,000 to provide matching funds. These gifts ensure every new qualifying contribution to the Legacy of Harmony initiative would be enhanced by a full 10 percent.

What is an endowment and why is it important?

An endowment is critical to an organization in maintaining its relevance and mission because the full value of the endowment remains in tact forever. It is invested in interest-bearing accounts, and the organization – in this case, Harmony Foundation International – receives the interest to be used for mission-critical projects.

Because the fund is invested, it is perpetual. It is supported fully by donors who designate their gifts for the endowment, while others prefer to see their gifts used immediately.

“The wondrous music we see performed takes a group to pull off, and that group extends far beyond the people on stage...Barbershop as a whole requires many voices to keep the tradition alive.”

Sharon W. Miller, Chair, Harmony Foundation Board of Trustees

Changing lives

"To all the educators, Barbershoppers and donors out there: you are my heroes. There is nothing I can ever do to repay that immense support, but I am trying to give back in every way I can," Tyler Wigginton said.

Now in his mid twenties, Tyler Wigginton performs with Denver's a cappella group Motive, is completing a college music degree, and teaches students in the art of vocal music. However, as a teenager, Tyler's path was not certain. A turbulent childhood, overshadowed by a parent's substance addiction and abuse, was slated to shape his future.

As a high school senior, he decided to drop out of school. One educator – his choir teacher – would only agree to let that happen if Tyler first attended an a cappella clinic. Led by the renowned Darin Drown, the workshop changed Tyler's life.

It gave him a reason to finish school.

He sang in college quartets, International qualifying quartets, the Front Row of the Sound of the Rockies and 52eighty Youth Chorus, with whom he sang at multiple Youth Chorus Festivals. Both the art and family of Barbershop, in Tyler's words, saved his life and inspired him to make a difference in the lives of others.

Ensuring lifelong singing

George Mammarella recently became a first-time donor to Harmony Foundation International. As an Ambassador of Song, he is providing support to ensure others have the chance to experience the impact of song. George is grateful to have his chorus family as a support system and vocal music to enrich his life.

George became involved in Barbershop about two years ago as a way to continue with his beloved hobby of music after college.

“Barbershop is a great activity. I enjoy singing with my friends and look forward to it every week,” he said.

That enjoyment greatly influenced his decision to give, and George added:

“When my life got a little rough, it was a way to put my energy into some other things, and have friends and a support system to brighten my life.”

George’s charitable support provides funding for critical outreach and education programs. Resources help music educators, choir directors and individual singers advance their skill, and maintain school and community programs all over the world.

Every Voice Matters

Choral and quartet singers know for themselves how much difference a single voice makes.

The same is true for charitable giving. Coming together to support a shared passion strengthens our impact. Just think of the expansion of sound when we put our voices together.

The Every Voice Matters initiative was created with that thought in mind. We have a goal of 1,000 new donors before September 30, 2016. *There’s still time for gifts to count!*

Launched at the 2015 International Convention in Pittsburgh, we gained 367 donors toward our goal by December 31.

Loyal donors at all levels make a difference in the lives of those who wish to sing.

Teaching leaders

Harmony University Scholarships were awarded to 118 music educators in 2015. That's 67 percent more than 2013, when we offered only 67. Many more requested assistance. These educators represent hundreds of choruses across this country, reaching thousands of singers every year, and they can leverage the growth of Barbershop harmony in their schools and communities.

I spent a large portion of Harmony University feeling bad for those who weren't able to attend. My quartet-mates, the director of my chapter, my district leadership, my high school music teacher, my voice teacher, and even the new guy who just joined my chapter could benefit greatly from this week. Although I certainly know a lot more about what singers might be doing wrong after this week, I think the biggest lesson I learned was that sometimes telling someone what they did right can make a bigger impact.

Thank you Harmony Foundation and Harmony University for giving me this opportunity to learn and for all the "right" that you do!

Donor Choice

Harmony Foundation has deepened its relationships with chapters and districts with the Donor Choice Program. With Donor Choice, supporters have the option of allocating up to 30 percent of their gifts to their selected chapters or districts.

In the last five years, the partnership between Harmony Foundation and Barbershop Harmony Society chapters and districts has grown to become the largest single program distribution by Harmony Foundation.

Many chapter and district recipients have found these funds vital to their survival and growth, and count on them through their budgeting process to keep their organizations operating in a positive financial position.

"FROM THE TIME I STARTED INTEGRATING BARBERSHOP INTO MY CLASSROOM, THE KIDS' LIVES CHANGED."
 Douglas Carnes, Music Educator,
 2015 Midwinter attendee

"TO ALL THE EDUCATORS, BARBERSHOPPERS, AND DONORS OUT THERE: YOU ARE MY HEROES. THERE IS NOTHING I CAN EVER DO TO REPAY THAT IMMENSE SUPPORT, BUT I AM TRYING TO GIVE BACK IN EVERY WAY I CAN."
 Tyler Wigginton, Music Educator

"[BARBERSHOP IS] A WAY TO PUT MY ENERGY INTO SOME OTHER THINGS, AND HAVE FRIENDS AND A SUPPORT SYSTEM TO BRIGHTEN MY LIFE."
 George Mammarella, Barbershopper

"IT MAKES SUCH A DIFFERENCE IN THE STUDENTS' LIVES AND OUR MUSIC PROGRAM, AND I APPRECIATE IT GREATLY."
 Lauren Lee, Music Educator
 Harmony Explosion participant

LEGACY OF HARMONY

JANUARY
 With generous gifts from Foundation donors, Harmony Foundation provided housing and registration for all 450 youth in attendance.

FEBRUARY
 Support from generous donors to Harmony Foundation funds outreach programs all over the U.S., and it helped share Barbershop harmony with more than 60,000 people in 2015.

One of the most lucrative events for chapters, that also allows them to reach into their communities, is Singing Valentines. The experience bridges hearts and brings joy to thousands all over the country every year.

MARCH
 The partnerships developing with other choral music organizations at a national level are raising awareness of Barbershop harmony and bringing the Barbershop Harmony Society into the forefront as an advocate for music educators. The March convention of the American Choral Directors Association allowed the Society to reach music educators with resources such as sheet music for their students.

APRIL
 HFI funding to BHS provided awards totaling more than \$266,000 for external programs geared toward innovative outreach projects to bring vocal music resources to more communities.

MAY
 Of the 56 quartets participating in qualifying events for the College Barbershop Quartet Contest — now the Youth Barbershop Quartet Contest — 24 made it to the competition, with performances finalized in May. With substantial funding from Harmony Foundation, the event provides a memorable performance experience for hundreds of young men.

JUNE
 The 77th annual International Convention kicked off June 28 in Pittsburgh and served as the platform to launch two critical fundraising efforts of Harmony Foundation International — the Every Voice Matters and Legacy of Harmony campaigns.

JULY
 Harmony University is one of the highlights of the busy month of July, but the growth of its programs expands its impact to be year-round. 118 scholarships were awarded by HFI to HU attendees, up 87 percent from 2013.

AUGUST
 More than \$41,000 funded projects that brought video content into the homes of thousands. The digitization included historic recordings, performance from recent competitions and Harmony University educational sessions.

SEPTEMBER
 The Donor Choice program is one of the fastest growing programs at HFI. Allowing donors to designate up to 30 percent of their contributions to a district or chapter, HFI distributed more than \$420,000 in Donor Choice funds in 2015, an increase of 44 percent in five years.

OCTOBER
 Another key partnership with the National Association for Music Educators (NAfME) expands the reach of BHS and helps get valuable resources into the hands of educators and learn more about their needs. HFI support is critical to establish and strengthen BHS partnerships with other critical music organizations.

NOVEMBER
 A hallmark program funded in full by Harmony Foundation launched after months of planning and years of dreaming. The Healthy Chapter Initiative connects with chapters on management, leadership and effectiveness.

DECEMBER
 The full impact of the \$1.6 million in Harmony Foundation funding for 2015 could arguably be summarized during the holiday season if it were possible to count the number of performances, service projects and goodwill initiatives of districts, chapters and members all over the world. The HFI mission to enrich lives through singing is embodied by the individuals who make extra effort to share the joy of vocal music.

2015 YEAR IN REVIEW

END-OF-YEAR INFORMATION

Beyond singing

Last year, four young men from Harlem—Richard, Shawn, Nick and Denzel (above)—were the first to represent their school at the 2015 Midwinter Convention in New Orleans. Then-instructor Douglas Carnes (left, applauding his students' performance) introduced Barbershop to the school's curriculum through programs offered by the Barbershop Harmony Society.

"From the day I started integrating barbershop into my classroom, the kids' lives changed."

Those are Carnes' words, as he reflected on the academic and behavioral achievements that were unprecedented for his middle schoolers. All their hard work culminated with a trip to New Orleans for the 2015 Midwinter Convention.

*"I wouldn't have been able to do it without
Harmony Foundation."*

Helping chapters helps everyone

Antonio Lombardi joined the Barbershop Harmony Society staff in spring 2016 as Manager of Chapter Leadership and Education, a position fully funded with charitable support through Harmony Foundation.

Antonio has significant leadership experience in the Northeastern District (NED), serving as a district leader, chapter leader and organizer of the successful Harmony Explosion Camp

Northeast. Outside of the Barbershop community, he worked for the Community College of Rhode Island in student affairs.

This position is key to the success of the Society's Healthy Chapter Initiative. Antonio is excited to continue the fine work being done by the education team and is already working to help our chapters thrive.

This donor listing represents our best efforts to recognize those who made charitable gifts to Harmony Foundation International between January 1 and December 31, 2015. If you identify errors, please notify us at hf@harmonyfoundation.org, and we will make corrections in our database, as well as note them in a future issue of *The Harmonizer*.

*Coming together to support a shared passion
strengthens our impact.*

*Just think of the expansion of sound
when we put our voices together.*

There are many ways to give to Harmony Foundation.

Legacy of Harmony estate giving • Endowment giving
Program support as designated by you • President's Council annual giving
Ambassador of Song annual giving • Keep a Melody Ringing memorial giving
Key Voices • Youth Chorus Festival Sponsorship • Amazon Smiles
